

BULLETIN

FROM YOUR MUNICIPAL COUNCILLOR

Jocelyn Blondin

District du Manoir-des-Trembles—Val-Tétreau (5)

Our neighbourhood. Our pride!

Message from your councillor

It is with great pleasure that I am sending you the 2nd bulletin mainly intended for the people living in District 5. Almost at the end of my first term, I am proud of the achievements but above all of having accomplished the essential, such as established a line of communication with the people of Manoir-des-Trembles, Saint-Jean-Bosco and Val-Tétreau neighborhoods. We have proved that together we can carry out projects that enhance the quality of life of these neighborhoods. A frank communication, a long-lasting commitment and a careful listening, this is what I represent and what you represent for me. During my mandate, I always kept the objective of maximizing the necessary resources, to listen to you, to consult you, to ensure security but above all to bring a color to the neighborhoods while protecting the interests of each one.

In order to carry out the projects, you need the input of people like you. You think that together we can make a difference and it is certainly true! I thank you for helping me in my actions and to let me know your opinion. Since the creation of my website, you have been many to visit it or to send comments. I thank you for your frankness, it allows me to have a more global vision. I am proud to represent you at City Council and rest assured of my support.
