

Gatineau, décembre 2017

*To all citizens of District 5,*

In this privileged time of the year, I wish you happy moments with all your family and friends. Take advantage of this time to recharge your energy and direct your gaze towards the other. I invite you to think about the people who live this time of the year with much more difficulty.

I would also like to take this opportunity to thank all the people who gave me their vote of confidence during the 2017 municipal elections. I am proud to represent you on the City Council of Gatineau. I inform you that beyond the tasks assigned to the municipal councillor, I will sit on the following committees:

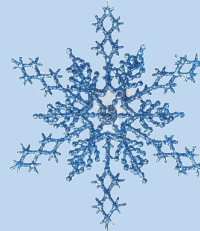

- Planning Committee and Demolition Application Committee as Chair
- Committee on Territorial Development, Housing and the Environment, as a member
- Board of Directors of the Outaouais Transportation Corporation as a member.

I always invite you to contact me to share your concerns or suggestions. My election campaign was based on continuity, on continuing together so that we could live in a neighborhood that assembles and resembles us, and, this is my objective!
